#### Product Inspiration

- **All natural:** no sodium phosphates, binders or extenders; gluten free; 100% vegetarian-fed, humanely raised beef
- **Quality/simple ingredients:** beef, water, sea salt; rubbed with sea salt and cracked black pepper
- **Open-rack roasted:** meat is exposed to dry oven heat — not cooked in a sealed bag; outer surface is naturally oven browned with no artificial caramel color
- **Superior flavor and yield:** USDA Choice Angus top round cap-off delivers superior flavor, tenderness and 100% yield

#### Ideal Use

Great served hot or cold in a variety of ways:

- Sandwiches
- Salads
- Carving lines
- Plated entrées

#### Product Handling

- Promptly store product in cooler.
- Once opened, use within 5 days.
- After opening, overwrap unused product with film and refrigerate.
- Slice thinly and against the grain so meat easily pulls apart and is more flavorful.
