

**METRO
DELI®**

**UNCURED USDA ANGUS
BEEF FRANKS**

*All
Natural**

*No Artificial Ingredients | Minimally Processed | No Preservatives | No Binders or Fillers

**They don't make 'em like this anymore . . .
but we do.**

We chop the Angus beef for these franks the way the butchers did circa 1900. Ingredients? Simple and all natural: beef, water, sea salt, sugar, spices, natural flavorings, and dehydrated garlic. They're old-fashioned good.

Product Description

Authentically gourmet, full of the simple flavor of beef franks from days gone by. All meat, skinless franks deliver a satisfying bite that pops with flavor the way a sausage should. Unlike some hot dogs, your customers won't be left wondering "What's in it?" They'll know. And they'll love it.
