With tradition and quality...just like your neighborhood deli

Conjure up an image of a corner deli stocked with only the freshest, most quality ingredients and your time-honored memories will whisk you to the present-day Metro Deli™

Product Description

The superior quality of our all-natural deli meats has gained recognition all across the country, confirming you can never have enough of anything labeled *all natural*. Among Italian deli meat fans, our three newest varieties are really going to be a hit, especially for those craving only the all-natural flavors of Metro Deli. Our pepperoni imparts a smoky, tangy, spicy flavor; hard salami offers a mellow, meaty combination; and Genoa salami delivers a tangy flavor that's not too harsh – all with the clean taste that lives up to their brand name.
